7. You'll receive an e-mail with instructions on how to proceed with the installation

The screenshot shows a web browser window with the URL <https://portal.nextlimit.com/products/licenses>. The page title is "My products Details about your assets". The left sidebar contains navigation links: My Account, My Purchases, My Products (selected), Purchased / assigned products, License Generator, My Upgrades, My Downloads, My Support Cases, Support, and Webshop. The main content area displays the "License generator wizard" progress bar with four steps: 1. Select (Choose types & licenses), 2. Fill (Provide required data), 3. Processing ("Cooking" your licenses), and 4. Download / Send (Get your licenses). All steps are marked as completed with green checkmarks. The current step is "Step 4: Get your licenses", which includes the text: "Your selected licences are ready. We've sent your Maxwell licences information to you by email, with installation instructions. Alternatively, you can go to your [Products page](#), to set your host IDs and download your licence files for manual installation. To download and install your RealFlow licence files, please go to your [Products page](#). Thanks for choosing us." At the bottom of the wizard, there are "Back" and "Next" buttons.
